VALUE ADDED SELECTION SHEET

Due to needing 15 lbs (Pork & Lamb) or 20 lbs (Beef) per batch of value added product, there are limitations in how many items we can sufficiently and safely provide you - all dependant on how much trim you have left for us to use, from the choices you have made.

Please Note - If there is not enough trim to fill Value Added order, it will be put into ground by default; no Value Added Products will be made

If you are ordering a Full Beef, you can choose max 3 items below

If you are ordering a Half Beef, you can choose max 2 items below
